Stennis Policy Directive	SPD 1800.1	Basic
	Number	
	Effective Date: October 15, 2009	
	Expiration Date: October 15, 2014	
Responsible Office: RA00/Center Operations Directorate		
SUBJECT: Smoke Free Workplace		

1. POLICY

- a. This directive implements the requirements of Presidential Executive Order 13058 to establish a smoke-free environment for federal employees and members of the public visiting or using federal facilities.
- b. The Executive Order requires agencies to prohibit the smoking of tobacco products in all interior space and in any outdoor areas in front of air intake ducts.
- c. Executive Order 13058 also requires agencies to restrict smoking at doorways and in courtyards in order to protect workers and visitors from environmental tobacco smoke.
- d. Smoking at SSC is prohibited as follows:
 - (1) Inside all interior space owned, rented, or leased by NASA SSC.
 - (2) In courtyards and in any outdoor areas within 25 feet of doorways and air intake ducts.
 - (3) In any location identified as a no-smoking area (e.g., liquid hydrogen storage tanks, fuel storage and transfer areas, etc.).
 - (4) In SSC leased GSA vehicles.
- e. Failure to comply with this policy could result in disciplinary action.

2. APPLICABILITY

- a. This SPD is applicable to all NASA/SSC civil servant personnel.
- b. This SPD is applicable to NASA/SSC tenants, concessionaires, visitors, contractors, and grant recipients to the extent spelled out in their respective contractual agreements, unless otherwise authorized.

3. AUTHORITY

Executive Order 13058, Protecting Federal Employees and the Public from Exposure to Tobacco Smoke in the Federal Workplace.
