Name: REFRIGERANT TUBING SYSTEM, SSTD-8070-0074-PIPE, A.3, 2020-04-28  
 Target Promotion State: Inactive  
 Reference Baseline:  
 Description: REQUEST TO MAKE SUBJECT STANDARD INACTIVE - SSTD-8070-0074-PIPE, SSC Refrigerant Tubing System, has completed its review cycle, during which reviewers were notified that SSC subject matter experts have recommended the subject document be made INACTIVE and superseded by the industry standard, ASME B31.5, Refrigeration Piping and Heat Transfer Components. Please indicate your concurrence via approval of this Promotion Request, at which time SSTD-8070-0074-PIPE would only be available in CEF for reference purposes.
