## DOCUMENT CANCELLATION

**The document identified below is hereby canceled.**

Effective Date

October 2, 2014

Document Number

SSTD-8070-0113-IDCODES, Rev. Basic

Revision

**CANCEL**

Document Title

Identification Nos. for Intercoms, Intercom Systems, Oral Warning Microphones, Speakers, & Stations

Point of Contact

R. Carol Wolfram

**This document is superseded by: None**

Comments:

17 September, 2014

ATTENTION: Bartt Hebert  
NASA SSC Engineering  
& Test Directorate

SUBJECT: Cancellation of SSTD-8070-0113-IDCODES, Rev. Basic  
*SSC Identification Numbers for Intercoms, Intercom Stations,  
Oral Warning Microphones, Speakers and Stations*

REFERENCE: Attached e-mail concerning cancellation

Dear Mr. Hebert,

Based on review of the subject standard by appropriate SSC personnel in NASA and prime contractors, request is hereby made that the subject standard be cancelled. The review was conducted per SSTD-8070-0005-CONFIG, *Preparation, Review, Approval and Release of SSC Standards*, and whereas no standard was identified to supersede the subject standard, it was universally agreed that it is not used and should be cancelled. This is verified by the above referenced e-mail, a copy of which is attached for your review.

Your signature below will indicate your concurrence with this request, and will serve as authorization for CEF to expedite cancellation of the subject standard. Co-authorization to cancel subject standard will be obtained from NASA SSC Center Operations Design & Construction Project Management Division.

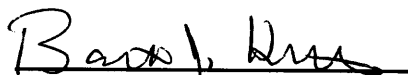

If you have any questions, please do not hesitate to contact me at ext. 1164.

Sincerely,

CONCURRENCE

R. Carol Wolfram

Date

Following is the Sept. 2, 2014 email notification and request for comments regarding the recommendation to cancel Revision Basic of SSTD-0070-0113-IDCODES, *John C. Stennis Identification Numbers for Intercoms, Intercom Stations, Oral Warning Microphones, Speakers and Stations.*

Hello everyone:

The recommendation has been made to cancel Revision Basic of SSTD-8070-0113-IDCODES, *John C. Stennis Identification Numbers for Intercoms, Intercom Stations, Oral Warning Microphones, Speakers and Stations.* This standard provides a uniform method of assigning identification (ID) numbers to all newly installed intercoms, intercom stations, oral warning microphones, speakers and stations at SSC.

Please communicate your concurrence or comments to me no later than **COB Tuesday, September 16, 2014.** Lack of response will be interpreted to mean that the reviewer has no comments and concurs with the standard being canceled.

If you have any questions, please contact me at ext. 8-1164.

Thank you all very much,

**R. Carol Wolfram**
